

The World of Teens

III – Writing Test

Name _____ No. _____ Class _____ Date _____

There is going to be a debate in your school about the impact of social media influencers on teens' body image. You have been asked to give your opinion on the issue.

Write **an opinion text** (around 100-120 words) about how you see the role of influencers on teens' life.

Refer to three impacts of social media influencers (positive or negative) and explain them with examples.

Don't forget to:

- use different paragraphs to present arguments;
- use suitable connectors for coherence;
- finish with a general conclusion.
