Hello! My name is Karen and this is my brother Ben.
 Today is a very special day! It's our mother's birthday.
 We are cooking her favourite food: rice and meat.
 She likes vegetables as well. Carrots and tomatoes are
 her favourite. She doesn't like lettuce. She loves orange
 juice and her favourite fruit is banana.
 Her birthday cake is ready too! It's a yoghurt cake, her
 favourite!
 She will love our surprise!
