**READING****Read the text.****My daily life**

Aditi is eleven years old. She is from India and she lives in Gokarna. She always gets up very early in the morning. She wakes up at half past five and cleans her bedroom before her mother wakes up. Then she helps her mother prepare breakfast for her family. She has got six younger brothers and sisters. They all eat their breakfast and then she goes to school on foot. It takes her thirty minutes to get there.

Her mother stays at home with her brothers and sisters, but her father goes to work. He is a mechanic. He works in a small garage next to the house. He sometimes works at night, but he always has breakfast with the family.

At school Aditi studies a lot because she wants to be a doctor one day. She always has lunch in the school canteen. When she arrives home at four o'clock, she does her homework and then she rides her bike or plays basketball with her sisters.

In the evening they have dinner at half past six. After dinner they sometimes watch TV together. They all go to bed at nine o'clock.
