I – Reading

Read the dialogue.

SCOOB!

Mary: What's your favourite film, Peter?

Peter: My favourite film is *Scoob!* I love it! Scooby-Doo is a dog and he has got four friends. Together they solve mysteries!

Mary: Cool! Who is Scooby-Doo's best friend?

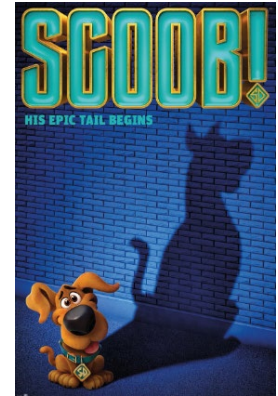

Peter: Shaggy is Scooby-Doo's best friend. Shaggy is tall and thin. He has got light brown hair, brown eyes and a small beard.

Mary: What about his other friends? What do they look like?

Peter: Fred is tall and slim. He has got short blonde hair and blue eyes. He always wears a white jacket. Daphne is medium height and slim. She has got long wavy red hair and green eyes. She is very beautiful. Velma is short (1 metre 50 tall) and slim. She has got straight hair, brown eyes and she has got glasses. She is very intelligent!

Mary: That's funny, Daphne looks like me! I am also medium height, I have got green eyes and I have got long wavy hair! But her hair is red and mine is brown...

Peter: That's right! She looks a lot like you! What a coincidence!

A. Read the text again and write the names of the characters.

1. _____
2. _____
3. _____
4. _____
5. _____

B. Complete the table with the physical features. There is one example.

	Shaggy	Fred	Daphne	Velma
height	• tall	4.	8.	12.
weight	1.	5.	9.	13.
hair	2.	6.	10.	14.
eyes	3.	7.	11.	15.

C. Match the two columns to make correct sentences.

- | | |
|--|-----------------|
| 1. Scooby-Doo is a... ☐ | a) small beard. |
