SCOOB!

Mary: What's your favourite film, Peter?

Peter: My favourite film is *Scoob!* I love it! Scooby-Doo is a dog and he has got four friends. Together they solve mysteries!

Mary: Cool! Who is Scooby-Doo's best friend?

Peter: Shaggy is Scooby-Doo's best friend. Shaggy is tall and thin. He has got light brown hair, brown eyes and a small beard.

Mary: What about his other friends? What do they look like?

Peter: Fred is tall and slim. He has got short blonde hair and blue eyes. He always wears a white jacket. Daphne is medium height and slim. She has got long wavy red hair and green eyes. She is very beautiful. Velma is short (1 metre 50 tall) and slim. She has got straight hair, brown eyes and she has got glasses. She is very intelligent!

Mary: That's funny, Daphne looks like me! I am also medium height, I have got green eyes and I have got long wavy hair! But her hair is red and mine is brown...

Peter: That's right! She looks a lot like you! What a coincidence!

A. Write the names of the characters. Choose from the box.

(Escreve os nomes das personagens. Escolhe os nomes da caixa.)

Scooby-Doo Velma Daphne
Shaggy Fred

1. _____
2. _____
3. _____
4. _____
5. _____

- B. Complete the table with the physical features. The first letter is completed. There is one example.**
(Completa a tabela com as características físicas. A primeira letra já está lá. Segue o exemplo.)

	Shaggy	Fred	Daphne	Velma
height	• tall	4. t	8. m h	12. s
weight	1. t	5. s	9. s	13. s
hair	2. b	6. b	10. r	14. s
eyes	3. b	7. b	11. g	15. b

- C. Tick (✓) the correct option to complete the sentences.**

(Escolhe a opção correta para completares as frases.)

1. Scooby-Doo is a...

a) dog. ☐ b) boy. ☐
