The Haines Shoe House

Hello! My name is Jane Haines and this is my uncle's house: the Haines Shoe House. It's a different type of house because it's a big shoe!

This house is in Pennsylvania, in the United States of America. There is a living room in the toe¹ and a kitchen in the ankle². The living room is my favourite part of the house! There are two bedrooms and two bathrooms, but there isn't a dining room. Outside there is a big garden. It's beautiful!

Next to the house, there is a doghouse and it is special because it's also a shoe! Isn't it funny? My dog, Peanut, and I love playing there!
