Reading comprehension

Read about Susan's sister.

My name is Melissa and I go to the same school as my sister Susan. I like my school. It is not very big, but it has very good facilities, such as computer rooms, a games room and a big library.

I'm really keen on working with computers, so I enjoy the computer coding lessons very much because I learn a lot. I find these lessons very interesting and not difficult at all. I also like maths and English because I have very good teachers, but I think my favourite subject is physical education.

One of the subjects that I think is boring is history! I really don't enjoy these lessons and it is very difficult to remember all those dates and information.

I like school because I have a lot of good friends there. We do a lot of things out of school too, like playing video games and studying together. We are always texting each other and we are never sad.
