Part 1

Hi! My name is Helen and I'm a teacher. Isabella is my daughter and she is 11 years old. We live in London, but we aren't British. We are from Glasgow in Scotland. Her best friend is Megan and she is Australian. She is really funny and very active. She has got curly red hair and green eyes. Isabella and Megan aren't in the same class, but they walk to school together every day. Megan's parents are both famous. Her mother is a basketball player and her father is a singer. Isabella and Megan usually have a great time together.

Part 2

Isabella's Saturday routine

Isabella loves Saturdays! She usually gets up later because she doesn't go to school. She always meets Megan at 10 and they walk their dogs for half an hour. Then Isabella's father drives them to the swimming pool and they practise for one hour and a half because they are in the school swimming club. After lunch Isabella usually watches TV or plays video games. Sometimes Isabella and her friend Megan go to the cinema with their friends. In the evening Isabella helps her mum and dad with dinner. After dinner she surfs the internet and she listens to music. She goes to bed at 11 o'clock because she doesn't have to get up early on Sundays.
