There are five new members at Varndean school in Brighton but they are not students, they are goats! Yes, that's right... goats! Their names are Maya, Bertie, Alan, Ethel and William and they are school pets. These animals live at school and the kids

like them so much that there is a new club now: the goat club.

This club is the most successful club at school. It has more than 100 members.

"The goats are great, friendly and we love them! Maya and Bertie are so cute! They're younger than the other goats," says Erica, a student. Harry, another student, says, "School is better now! I like it here! The happiest part of the day is when we are with the goats!"

The goat club is very positive for the students: they spend time outside, they learn about nature and they look after the animals. They have a lot of fun and they are more punctual because they go to school earlier to feed the goats.

Tracks 39 and 40 (page 60)

Laura is talking to her sister Sophie.

Laura: Look what I've got here. A T-shirt

and a skirt for me. There are some lovely clothes in the clothes shop.

Sophie: They're beautiful. And what's this?

Laura: It's a box of chocolates from the baker's. It's for Mum. And this book is for Dad. There's a new bookshop next to the café.

Sophie: And what about me? Have you got a present for me?

Laura: Of course I have.

Sophie: What's that noise? Is it a dog?

Laura: Yes, it is. There are some really cute animals in the pet shop.

Emily: Last Tuesday my class went on a school trip to the Natural History Museum. The science teacher organised this trip but the maths teacher went with my class too. There were lots of tourists at the museum. They were from different countries. We discovered some interesting things about animals. My favourite were the dinosaurs but I liked the birds, too. I took lots of photos. We had a great time.

David: Last weekend was my birthday. My friends and I went to an amusement park to celebrate. We went on roller coasters, water slides and other exciting rides. At half past one we had lunch at a restaurant in the park. The food was delicious. There was a big birthday cake and my friends sang "happy birthday" to me. I was very happy.

Hi, Ryan!

I am spending my holidays at a summer camp in Scotland. I flew to Edinburgh yesterday and then I caught the train to the camp but some kids travelled by bus. I am staying in a little house with two other

boys. We had dinner with the other kids at the camp.
The weather is sunny and warm. Tomorrow morning we are going to ride our bikes in the forest and in the afternoon we are going to swim in the lake.
I am having a great time here.
See you soon,
Jamie
