Holidays in Deerpark Forest

Cornwall, 5th August

Hi, Lucas! I am having a great time here in Deerpark Forest in Cornwall. I arrived two days ago with my parents and my cousins. We are staying in a fantastic treehouse and it's really sunny and hot. We do cool things every day.

5 Yesterday we watched the birds and we swam in the lake. I loved it! My father took lots of photos.

Tomorrow we are going to walk along the forest trails very early in the morning. We are going to take a packed lunch.

10 On Saturday morning we are going to ride our bikes and in the afternoon my parents are going to take us on a boat trip.

My father is going to drive us back home next week.

See you soon,

Harry
