Subject My last holidays

Hi, Erin! What's up?

Let me tell you about my last holidays. I travelled to Sydney, in Australia, with my cousin Amanda and we went to amazing places. We stayed in a hostel for a week and we met new friends, Sarah and Dennis. They are Australian and they were there with their parents. They were kind because they took us to Bondi Beach and they showed us Sydney Opera House, too. We saw a play at the theatre and went to a great restaurant there, Portside. Then we went to the Sydney Tower Eye and we crossed a platform in the sky there, Skywalk! We walked along the streets and we went to the Chinese Garden of Friendship, in Chinatown. It's a beautiful place about Chinese history! Check the photo!

Before leaving Australia we took our rucksacks and went to the Royal National Park. We stayed in a bungalow and we explored the park by bike. What about you? Tell me about your last holidays.

XOXO, Diogo
