READING COMPREHENSION AND USE OF LANGUAGE

“Sheeran-ville”

Ed Sheeran grew up with his family in Suffolk, a village just two hours outside London.

He is now a famous singer and songwriter, a superstar, but he still wants to live and raise his family in his quiet hometown. His love for Suffolk is not a secret and it was in this peaceful village that he found the perfect place to live with his future wife, Cherry Seaborn.

‘Ed is a super guy and really friendly. He is just a Suffolk boy at heart – so who can blame him for wanting to live here? It is a lovely part of the world.’, said one villager.

The fact is that this Suffolk boy bought a large property with many houses: a country mansion, a large modern farmhouse, a detached house with four bedrooms, a giant treehouse and a bungalow. Sheeran also built a covered swimming pool, a pub (which was an old barn) and a new garage with space for four cars.

The lawn around the houses is very nice. The singer also has plans for two entertainment rooms – a cinema and a music room.

Ed Sheeran’s neighbours call this large property Sheeran-ville and say that as ‘he bought all the properties next door, there is nobody to complain if he plays his music too loudly.’
