

Unit 7 Pairwork

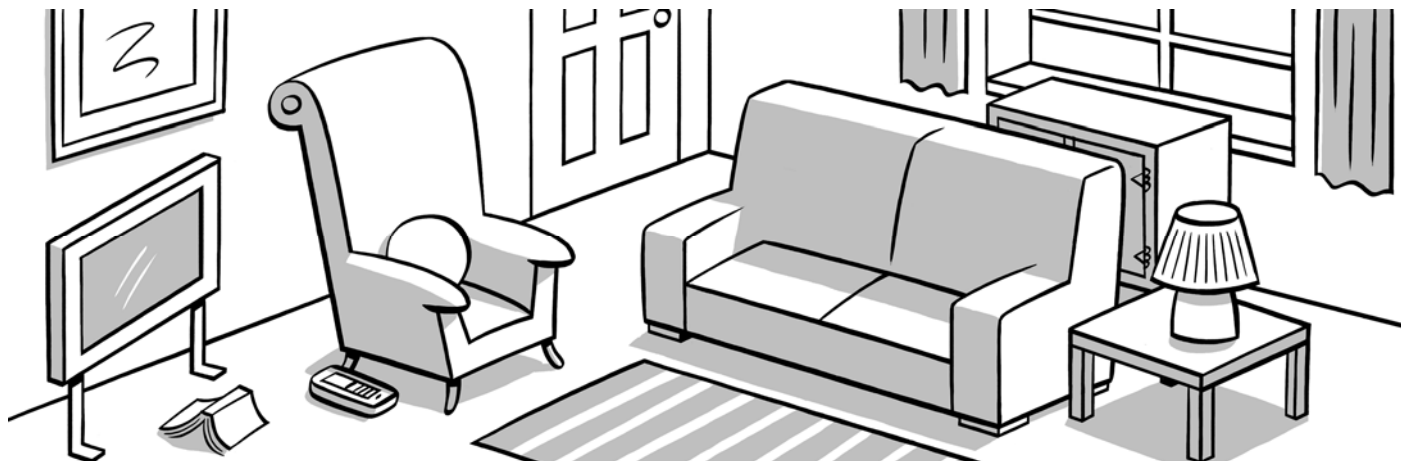

When you went into the living room: Student A

When you went into the living room, it looked like this picture. Ask Student B questions to learn where the objects in the box are in his / her picture. Listen and draw the objects on your picture.

Student A Where was the cup?

Student B It was next to the sofa, in front of the table.

cup pen cat banana picture

Now answer Student B's questions about where things were.
