Finding a new house

My dad's got a new job, so we're going to move house. Last weekend, my brother and I went with Mum and Dad to look at some houses. At the first house, we went into the garden and we could hear a lot of traffic. Mum didn't like that and we left.

Sam and I loved the bedrooms at the second house, but there wasn't a garage. Dad really wants a garage, so we aren't going to buy that house.

The third house was very quiet. It had lovely bedrooms, a big garden, a modern kitchen and, of course, a garage for Dad's car. It was great, but before we left, we were standing in the hall and, there was a noise ... drip, drip, drip. Water was falling through the floor from the bathroom upstairs! We're going to look at more houses next weekend.
