Finding a new house

My dad's got a new job, so we're going to move house. Last weekend, my brother and I went with Mum and Dad to look at some houses. At the first house, we could hear a lot of traffic when we were walking around the garden. Mum didn't like that and she wanted to find a house in a quieter street.

Sam and I loved the big bedrooms at the second house, but there wasn't a garage. Dad wants a garage for his new car, so we didn't buy that house.

The third house was in a very quiet street. It had lovely bedrooms, a big garden, a modern kitchen and, of course, a garage for Dad's car. 'This is perfect!', we were all thinking, but when we were standing in the hall, there was a noise ... drip, drip, drip. Water was coming through the floor from the bathroom upstairs! We're going to look at more houses next weekend.
