Train for sale!

When Lucy Roberts started looking for a house, she knew she wanted something different. She finally found an unusual wooden building near the sea. Lucy looked inside and discovered that the building was an old train. 'It was in bad condition, but there were lots of windows so the rooms were very light,' she says. 'I fell in love with it.'

Lucy bought the train and she's got big plans for it. It will have solar panels to make electricity from the sun and a roof made of grass. She won't use aluminium because she says that it isn't good for the environment. 'I want to show that you can build new homes with "green" materials,' says Lucy. 'If other people see that it isn't hard, they will probably copy my ideas.'

12 Read the text again. Complete the summary. (5 marks)

Lucy found a (1) w _____ building and realized that it was a train. It was light inside because there were lots of (2) w _____ so she (3) b _____ it. She will make (4) e _____ from solar panels and she hopes people will (5) c _____ her ideas.
